ROLL-A-RAMP® HD™

ROLL-A-RAMP® HD™ is an innovative portable ramp that can be used to get equipment and materials up or down a flight of stairs, into or out of a vehicle or over obstacles. Injuries can be avoided and time saved. The ramps roll up or can be folded for storage in small spaces where standard ramps won't fit. Custom lengths are available and longer ramps can be shortened quickly if needed. Sections can also be added to extend the ramp.

- Light weight
- Rolls down or folds for compact storage
