ZENESIS™ Z-Core Bit

The all-new ZENESIS™ Z-Core Bit is engineered for optimal performance on granite and engineered stone. It is equipped with abrasive coating both inside and outside to reduce friction and to facilitate easy core removal. Featuring laserwelded segments for safety and long life, this product provides maximum value.

- Engineering for maximum performance on granite and engineered stone
- Can be used wet or dry
- 8mm segment height
- Arbor size: 5/8 - 11 female thread
