

Makita® 4" Electronic Stone Polisher (PW5001C)

Makita's 4" Electronic Wet Stone Polisher is a favorite for professional stone work. The PW5001C combines 7.9 AMP power and variable speed control with optimum speed settings, soft start for smooth start-ups, and more. The result is a fast and powerful stone polisher with precision engineering for professional stone finish work.

- Variable speed control dial enables user to match the speed to the application
- Soft start feature for smooth start-ups
- Electronic speed control maintains constant speed under load
- Common fitting accepts the most popular water hose connections
- Powerful 7.9 AMP motor with less weight (5.1 lbs.)
- High power-to-weight ratio for reduced operator fatigue
- Housing cover protects the industrial die cast aluminum gear housing
- 3 holes at the spindle top evenly spread water to the pad and prevents the pad from clogging
- Overload switch to protect armature failure
- Includes a ground fault circuit interrupter (GFCI) plug

Specs

Polishing Disc	4"
No Load Speed	2000 - 4000 RPM
Spindle Thread	5/8" - 11 UNC
AMPS	7,9
Overall Length.....	14-1/8"
Net Weight.....	5,1 lbs.
Disc Size (in.)	4"
Variable speed control.....	Yes
GFCI plug	Yes
Shipping Weight	8,38 lbs.

Stock No.
