

SKILSAW 7" Concrete Saw Power Tools

GranQuartz
Canada Inc.

First Worm Drive Concrete Saw

Delivers a complete concrete cutting system with worm drive power and durability

Cut-Ready™ Adjustable Plunge Lock

Quickly and easily sets straight plunge cuts

Wet/Dry Dust Management System

Controls dust for cleaner cuts and longer tool life

SKILSAW 7" Concrete Saw

When there's concrete to conquer, MEDUSAW makes the job a whole lot easier. It's the world's first fully integrated saw designed specifically for scoring and cutting concrete accurately. Forget modifying an old saw. This one's got our legendary SKILSAW worm drive power train, plus a unique Cut-Ready™ adjustable plunge lock and a pivoting pointer for unmatched precision and convenience. Used wet or dry, the dual integrated dust management system takes dust out of your way. And zinc-plated brackets and fasteners resist corrosion for long life. Armed with MEDUSAW, you'll power through the toughest concrete jobs. It's all part of the performance legend that is SKILSAW.

The SKILSAW Dual-Field™ Motor

Our Dual-Field™ motor was invented for saws, for pros, for legends, for you. Its unique dual copper windings keep you and your crew going strong all day. Its dual purpose is to power and cool the motor through the toughest cuts today and tomorrow. Others try to master this balance of power and cooling but fail. Our Dual-Field motor is why our saws will always Stay True™.

Specifications

Ratings:

15A, 120VAC no 5,100/min 7/8" Arbor Aluminum Guard, Housings & Foot

Tool Weight:

16.9 lbs. (7.7 Kg) without blade, cord, wrench & water feed assembly

Cord Length:

10 ft. (3.03m)

Depth of Cut

2" (50.8 mm) Max Cut at 90°

Include

GFCI, Vacuum Adapter with Clamp, Water Feed Assembly, **Blade NOT Included**

Stock No.

116057
