When you purchase a qualifying **FLEX** cordless kit and trade in two pro cordless kits.

PROGRAM DETAILS:

01/01/2024 - 03/31/2024

Program rules are subject to change afterwards.

Estimated SKUs converted on initial order must be no less than 3 kits and no more than 20 kits to get program qualification.

End user who participate in this program must purchase from an authorized FLEX dealer.

Eligible FLEX tools: All of FLEX cordless power tools in kit execution. Bare tools, accessories and attachments are not included.

Eligible competitive brand: Cordless kits of pro brands including DeWalt, Milwaukee, Bosch, Makita, Hilti, Metabo, Hitachi.

The kit that end user purchased must have the same or higher MSRP than the kit sent out as free goods.

All of the SKUs involved must be in original full kit execution (tool plus battery plus charger). Kits with missing/wrong component are not eligible for this program.

Purchase order, together with photos/videos, must be sent to sales reps/sales manager for confirmation and audit.

The redemption amount for dealer will be based on invoiced price when they purchased the conversion SKUs.

Example: For initial order, an end user purchases 3 pieces of FXM202-2B and returns (6) M-18 2-piece combo from Milwaukee, and they can receive 3 pieces of FXM202-2B for free.
